

SUMMER 2022

PURDUE ALUMNUS

IN MEMORIAM

IN MEMORIAM

SEMPER FIDELIS

Matthew Tomkiewicz (T'16), a decorated Marine Corps captain, was known for his calming presence, his smile, his wit, and his humility. He often shared his Boilermaker spirit with his Marine brothers. He was one of four Marines killed in a NATO training exercise in Norway when their aircraft crashed on March 18. The Fort Wayne native's sacrifice has been recognized by military forces around the world, and his service was honored with a hometown procession. Tomkiewicz leaves behind his wife and parents.
